A Note From the President

It's hard to believe we are half way through summer already. I hope everyone is having a prosperous summer. It has certainly been a busy one for us at the Information Cottage. The "Featured Business of the Day" is working very well and many of our visitors are being sent to the daily, featured business each day. After all, word of mouth is one of the best marketing tools you can use. Speaking of marketing, we are gearing up for our After Dark Events, which start in September. Remember, After Dark events are held the second Wednesday of the month from 5 to 7 pm. Also, please save the date for our Installation of Officers/Membership Dinner on October 24th at Phillips By The Sea. Details will follow in our September newsletter.
