A Note

From The President

It's hard to believe its December already. As we are firmly in the holiday season, now is a good time to reflect on those things for which we can be thankful. While we certainly count our family, friends and colleagues among our blessings, we can also be especially thankful for the opportunity to be part of an organization such as the Downtown Association.

In order to be an active organization, we need every member to be an active member. We will need your talent to be the kind of organization that I believe that we all would like to be.

We request your input, suggestions and a helping hand. If you are able to contribute to our funds, please do so, if not, help us to raise them so that we can expand community support and other good works. If everyone does a little, then no one does a lot!

If you or your business or organization would like to sponsor a monthly newsletter we will mail approximately 190 of your flyers for \$65.00. For more information, please call the office @ 410-289-1413
