God Bless!

Thanksgiving

Thanksgiving is the time to focus on the good in our lives.

Each day we can find small blessings,
but too often we overlook them,

choosing to spend our time paying attention to problems.

We give our energy to those who cause us trouble instead of those who bring peace.

Starting now,
let's be on the lookout for the bits of pleasure in each hour,

and appreciate the people who bring love and light to everyone

who is blessed to know them.

Happy Thanksgiving!
